Dear Fellow Motorcyclists:

American Bikers for Awareness, Training, and Education (A.B.A.T.E.) of Minnesota is a not for profit, grass roots organization that is committed to educating motorcyclists and the general public about motorcycling. A.B.A.T.E. members ride many different types and brands of motorcycles. We are all people with a common interest in a common activity. The fact that we share an interest in motorcycling is more important than the type of motorcycle we ride.

There are chapters of A.B.A.T.E. located throughout Minnesota. Each of these chapters is represented on the A.B.A.T.E. Board of Directors (B.O.D.). The B.O.D. also includes the A.B.A.T.E. state officers. The B.O.D. meets once each quarter to discuss the operation of the organization. In addition, each chapter holds a monthly meeting in their area of the state. A.B.A.T.E. is a member driven organization. Members are encouraged to participate in any of these meetings.

A.B.A.T.E. seeks to promote the positive aspects of motorcycling and strives to protect the rights of motorcyclists by

being involved in the local, state and national political process. Safer motorcycling, reducing accidents and fatalities can be best accomplished by education and training of both the motorcyclists and the general public, not necessarily through additional legislation.

Our ability to enjoy many freedoms while riding motorcycles in Minnesota is the direct result of the work done by motorcyclists in our state. These people have joined together to fight for our rights and freedoms.

The efforts of these people have made Minnesota a leader in motorcycle safety. We have one of the toughest licensing standards in the nation, the best public awareness programs, and the most comprehensive rider education programs in the nation. These efforts have helped reduce motorcycle accidents, injuries, and fatalities in spite of the growing number of licensed motorcyclists in Minnesota.

To continue these efforts we need your support and participation. Show your commitment to protecting and preserving

your rights as a motorcyclist in Minnesota. Participate in the meetings, rides, and the fundraising activities. You will be informed about the motorcycle activities in the state by receiving Road Noise, the A.B.A.T.E. monthly news publication. A.B.A.T.E. is fun, educational and a great way to meet people and make new friends with similar interests.

With your help, we can continue to promote the positive image of motorcyclists. If you want more information about A.B.A.T.E., please attend any of our meetings, meet other members, and ask questions.

We are pleased that you have decided your rights are worth protecting, that the positive aspects of motorcycling are worth promoting, that education is important, and that the cost of an A.B.A.T.E. membership is a small price to pay to preserve and promote these principles.

Members are the most important thing that A.B.A.T.E. has, so Thank You for becoming a member and we look forward to seeing you at our events.

STATE COORDINATOR

JANE DOYLE

STATECOORDINATOR@ABATEMN.ORG

Congratulations to our newly elected officers! Whether you have held a position before, or this is your first time as an officer, THANK YOU! Let's all congratulate and support everyone who was willing to step up and hold a position.

A.B.A.T.E. University is April 19th - 21st. Are you ready to learn something new? Are you bringing any friends along? It will be educational and fun. Don't miss it! The committee is working hard to make it a memorable weekend.

What is on your agenda for Spring and Summer? Will you be attending conventions, participating in fundraisers, attending chapter meetings, or enjoying long rides with friends? Check out chapter grapevines and ads for upcoming events.

Let's join together to accomplish goals - increase membership, increase funds, socialize, and don't forget our underlying goal - protecting our freedom! See if you can meet your legislators somewhere for coffee or invite them to a meeting.

I believe this is the beginning of a very busy riding season. Please be careful out there!

By the looks of the weather, I think it's time to get the bike out. I know I had mine out in February, taking it for a spin around the block. And I'm sure there's a few of you that road a day or two every month this winter.

It was great to see everyone who could make it to Bikerday at the Capitol this year. It's always important that we take this time to meet with our legislators.

Next event on the calendar, A.B.A.T.E. University. Make sure you check out the classes. I feel the History of A.B.A.T.E. of MN class is going to be filled with great information, so make sure you attend this session for sure, if not all of them.

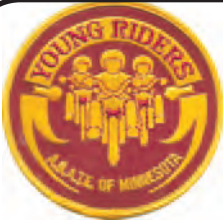

And then, the next big event will be our State Rally. Sounds like there's going to be some good entertainment this year, but there's always good entertainment at the Rally.

Well, time to get out and do some more riding.

Till next time,

Jim

YOUNG RIDERS REPORT

FRANK ERNST
(612) 801-2920
YOUNGRIDERS@ABATEMN.ORG

The first paragraph of this report are comments copied from my first Young Riders report published in November 2022.

Years ago, A.B.A.T.E. had a program called YOUNG RIDERS. The program was planned to provide activities and opportunities to attract younger people to A.B.A.T.E. The people trying to get this started had some good ideas and plans but just couldn't get it going. Some of the problems at that time may have been finding funding, communication methods, activities of interest, marketing avenues and possibly others. In that report I mentioned those starting Young Riders had some great ideas. It just didn't take off. I shared some of the possible reasons why. I forgot to mention what was probably the most important reason the program did not flourish. Dave "Breezy" Kavanaugh moved to Colorado. Breezy was the one spearheading Young Rider and had some great ideas. I have had some recent email exchanges with Breezy, the first time since he moved away. He shared how thankful he was for the support he was given by some. But also mentioned some others were not on board with making the program succeed and he was disappointed with that.

Here are some other comments and suggestions Breezy shared. He stated that he came up with the name Young Riders from the TV series of the Pony Express riders, Young Riders. He also added that Rick Arguello designed the logo. Then he shared this idea, without knowing what ages are targeted or responding I'll toss something out there as food for thought based on me chopping my first bicycle when it was brand

new. Dad wasn't happy with my cutting down the rear fender and the custom paint job out of a spray can!

15 years ago, I was in New York and early on a Sunday morning in Manhattan about 30 beautiful customized bicycles ridden by mature Puerto Rican men in leather vests with patches came riding down 5th Avenue in a pack. It was a cool site. My idea good, bad or in between would be to have a bicycle show with categories like stock, modified stock and custom or whatever. Could attract a lower age group and give kids too young to get into MCs a way to get involved. I'm sure there's a lot going on and a lot of ideas, so no hard feelings here if it's never spoken of again.

Breezy had and still has some good ideas. Share your thoughts. Is this something young people in your community would enjoy, can you help get it started, perhaps a chapter or district event, competition? Please share your ideas.

frank

NATIONAL COALITION
OF MOTORCYCLISTS

Thank you for helping protect OUR future! If you attended Bikerday or Lobby day or even a day under the Dome - Thank you.

As motorcyclists, **We** need to engage with those we elect over a safe fuel supply. Recently, E-15 has been approved for year-round sales in eight Midwestern states (corn belt). It's usually lower in cost than unleaded, which could lead to many cost conscious consumers voiding their own warranty PLUS it's use is illegal in small engines, heavy duty trucks, motorcycles and nonroad vehicles such as atvs, boats and snowmobiles. So as motorcyclists, we need to bridge the gaps with other I.C.E. powered recreationalists and lobby those we elect to ensure **We** all have a readily available SAFE supply of our fuel supply of choice.

Get engaged, get involved, and see you at a conference or seminar somewhere soon, because together **WE do GREAT THINGS!**

MOTORCYCLE SAFETY TASK FORCE

JON FERNHOLZ
(952) 649-0581

MNMSATF@ABATEMN.ORG

Next Meeting(s):

May 16th, St Paul College with a virtual option, 5:00-7:00 pm,

I'm sure you are all enjoying the mild winter as I am. There is not much to report on, as our next meeting is four days after this report's deadline.

Jay Bock, a long time member of the task force, and myself sat down for a personal meeting recently to discuss concerns some of us have regarding the ongoing efforts of the task force. I don't feel the need to repeat myself, as the topics of discussion surrounded things I have already reported on in this publication. Hopefully some fruit will bear from this meeting going forward. I would personally like to thank Jay for his willingness to sit down and discuss these matters face-to-face.

I have reported on the hope that the task force will have its own motorcycle safety month proclamation this year. We have just recently learned that it might be beyond the scope of the task force to advise that the Commissioner of the DPS make a statewide proclamation. The route the task force might take is to ask the Governor to do so. Although the task force is in favor of having multiple proclamations to reach as many audiences as possible, we might be overreaching our boundaries.

That's it for this month. Make your OWN choices and keep your head on a swivel.

STATE RALLY REPORT

DOUG COHEN

(605) 321-9613

RALLY@ABATEMN.ORG

Next Meeting (s):

- April 19th, A.B.A.T.E. U, Alexandria, 8:00 pm
- May 18th, Eagles Club, Litchfield, 12:00 pm
- June 15th, Eagles Club, Litchfield, 12:00 pm
- July 19th, B.O.D., location, 8:00 pm
- August 17th, Eagles Club, Litchfield, 12:00 pm

First, a huge thank you to Chris Lyons (River Valley chapter) from the electrical workers IBEW local 343. He is our new rally electrician!

We are looking for a new registration trailer to use and are also in search of a committee chair and assistant (split duties) to run the Registration trailer. Please contact Ingrid or me if interested.

Our vendor committee is looking for a patch person to sew and sell patches, and a tattooist. If interested contact Deb Kviz at (608) 434-9890.

Advanced admission tickets will be distributed at A.B.A.T.E. University to the chapters that requested them. If you have not already done so, please contact Erin Fredricks at (612) 501-6106 ASAP to order advanced admission tickets for your chapter to sell. All unsold tickets and money

will need to be turned in at the July B.O.D.

Sign-up sheets for all the volunteer positions will also be at A.B.A.T.E. University, so please be prepared to sign up. We will have sign-up sheets for the categories, see chart below. Available spots were emailed to every chapter's ZOHO account, and it will also be posted on Facebook and the State website. You can contact Ingrid at (763) 516-7029 (call/text) to sign up early.

Please get out there and help us sign up rally sponsorships. Remember, the earlier they sponsor the longer advertising time they will get (more bang for their buck!). Stress the fact that they will be recognized in the Road Noise, on the state website, on Facebook, and later in the program and on the band shelter banners. Please download the sponsor form from our state's website or copy it from the Road Noise. Keep these forms in your vehicle so you have them readily available. The rally flyer is also available for download at the state website if you want to show them one. Copies of the rally flyer will also be available at A.B.A.T.E. University.

Our national act at the Rally this year will be Molly Hatchet on August 31st at 10:00 pm. (see page 9) Huge thank you to Smoker for lining this up for us!

Everyone is welcome to attend the Rally meetings. If you cannot attend in person but use Facebook and would like to join the meeting over Facebook

messenger, contact Ingrid Cohen at (763) 516-7029 ahead of time to be added to the Rally meeting group chat.

If you have any suggestions for the Rally, send us an email to rally@abatemn.org We will be reviewing these suggestions at the next rally meeting on April 19th.

MRF REPORT

RYAN TRIEBENBACH

(651) 270-7670

MRFREP@ABATEMN.ORG

Last week the U.S. Environmental Protection Agency (EPA) announced a policy change related to gasoline with 15% ethanol (E15). In 2025 this new policy will allow gas stations in eight midwestern states to sell E15 fuel year-round. Current policy prohibits E15 sales between June 1st and September 15th because of concerns that it adds to smog on hot days. In 2022 and 2023 the EPA announced emergency waivers that allowed for summertime E15 sales, citing market disruptions, including the war in Ukraine. This move by the EPA will make those temporary changes permanent in the selected eight states.

The rule, which takes effect in April 2025, will apply in Illinois, Iowa, Minnesota, Missouri, Nebraska, Ohio, South Dakota and Wisconsin. This decision comes after governors and farm groups in these eight states requested that the federal government change this policy. This modification is a prime opportunity to remind everyone to be mindful of the fuel that you use. Verify that the fuel you are using in your bike is compatible with manufacturers' guidelines. Stay vigilant as these changes take effect over the next year!

These Young Riders Scholarship applicants are certainly keeping me on my toes. As of March 9th, we have shelled out a total of 53 scholarships for the 2024 rider training season at a cost of almost \$15,000. To give you an idea, in the last nine days I have signed up fifteen students!

If individuals or chapters are interested in participating in our District Rider Training program this year, please reach out to your District Directors so they can get a feel for where they should be focusing on setting up training events.

The last few Education reports have had a lot of information. So, this month, I will give our editor a break. I hope I saw lots of you at Bikerday!

Hello all! I hope you are taking advantage of the warm weather we've been having, also hoping everyone had a nice Easter and were able to celebrate with family or friends!

The office business picked up a bit in February, people discovering they expired and know elections are coming up. This brings new members or old expired in so they could help get you elected. Whatever the case, it was good to see the membership increase for a couple of weeks.

I want to mention something about our election process. Even though we are done for this year, keep this in mind for next year. If you want to vote by absentee ballot, the deadline to request is February 10th. Each member is to email the state office with their name, chapter, and address the ballots are to be sent. The chapter does not send me a group of names. After the chapter has the February meeting and your nominees have been selected, that needs to get to the office ASAP. Then I make out a ballot on colored paper and send to those who requested. They need to send back to the office so I can add those ballots to the chapter packets. I mail the packets out right away, but if your chapter has absentee ballots, at least one week prior to the meeting and if your absentee ballots are not here in time I will still mail to your chapter. If your chapter does not receive the election packets prior to your meeting, CALL ME! Please do not wait to contact me 10 minutes before the meeting! One more thing to remember, EVERYTHING gets mailed back to the State Office, that includes the ballots! Congratulations to everyone that was elected!

Keep on keepin on!

HISTORIAN@ABATEMN.ORG

I present an article, in part (to keep it appropriate) from the July 1989 Road Noise, Volume 3 Issue 7. Let it be known at the top of this newsletter it says, "For all who ride motorcycles" The article is "Are we out of control?"

Article: "As A.B.A.T.E. members, what kind of attitude do you have as motorcycle owners and riders?" (reprinted from ABATE of Iowa Freeway Flyer)

"My pride and credibility have been stripped away by a few members from across the state. I try to recruit new members, to tell them about A.B.A.T.E. programs. A friend of mine was going to join after buying a 750 Honda. But after filling out his application he decided 'no way' after driving by several people who spit at him and his daughter. These guys were wearing A.B.A.T.E. shirts."

"As members of A.B.A.T.E., we are ALL, hear me, ALL CYCLISTS! As members in good standing, we as an organization should stress this to all new and old members."

As the historian, a member and friend of many different walks of life and so forth, I am choosing to not duplicate all that was written, as back in 1989 you can imagine people didn't hold back much.

"Bikers that I know are motorcycle riders and they ride any darn kind of motorcycle that qualifies. A biker is someone who gives a damn about the sport of motorcycling and does everything possible to promote the sport of motorcycling.....No Matter What Kind of Bike You Ride!"

Hey everyone,

I am getting ready for A.B.A.T.E. University. The totes will be ready. I am hoping if someone in your chapter reads this, they will ask if you got back to me on the membership tote.

County Fairs are coming up. If you are interested in doing a fair or an event and need help, we will find you the help. One Chapter went to their fair board and asked if they could volunteer to park cars so they got a free membership table to set up. That's a great way to get out in front of a lot of people with your swag on.

Looking for someone to do swag? I can help. Kari in products will also help, if you need it. We are here to help your Chapter become visible. I look forward to seeing you all in April.

Finally, a report that shows memberships going up! The state has 1,288 singles and 1,440 couples, a total of 2728, that is an increase of 154! Way to go everyone who is filling out those membership and finding new members too! Every chapter had an increase except three chapters, and they stayed the same as last month! The chapter with the highest increase this month is Lake with a +23! Way to go! Next highest was Sand Dunes with a +14, impressive! Third highest chapter was Central with a +13! Woohoo!

I took the time to see the totals for each chapter this month, that way I could see how the chapters were doing to bring members into vote, those figures are not so impressive anyway, the largest chapter has 264 members, and the smallest chapter has 24. So, as you can see, we need to help our sister chapters, we surely do not need to lose anymore chapters!

See ya down the road!

PRODUCTS REPORT

PRODUCTS@ABATEMN.ORG

Hello friends and family! I hope this finds you well and enjoying the springlike weather!

First up, thank you to all the chapters that made an effort to get your clear order forms to me for badges and business cards. It makes an enormous difference when ordering. Thank you also to Sean at Dark Knight for taking on the huge undertaking of making the badges for us. I really appreciate it and all you do for A.B.A.T.E. of Minnesota.

Next, you may see another face helping in State Products. Since the reformation of the Young Riders Program, I have decided to do my part with getting the younger people involved with A.B.A.T.E. and I "hired" someone to help me out with all aspects of State Products. Please welcome Morgan to State Products. She will be working the Products area at A.B.A.T.E. University and State Rally as well as traveling with me to chapter events in the future. She will be able to take care of most aspects of State Products, however, she will not be able to accept credit/debit cards for payments. Per the State Board of Directors, I will be the only one working in State Products that can process those types of transactions. She can total your items up and set them aside until I am available to process your transaction at A.B.A.T.E. University. I will be in meetings Friday night and Saturday morning so it will be hit and miss. Please be patient as we work together to meet your needs.

As always, if your chapter needs products, wants products at your next event or need something for an auction, please email me and I will try to help the best I can.

See you in Alexandria,

Kari

Bikerday at the Capitol is past.

Were you there? Did you meet your State Representative and Senator? Did you share your viewpoints on our issues? Did they listen to you and did you listen to their opinion? More importantly did they agree with our position? If not, were you able to come to a reasonable compromise? Or was this one of those times you walk away not sure you were understanding your legislator's position or not able to get them to state a position? Sometimes this happens. Some legislators have not determined what position they will take on an issue or they may have an opinion in conflict with ours. They may choose to leave us guessing rather than just disagreeing.

If you were not able to get an agreement at this time, is there more you or we can do to influence them? Did they give you reasons for disagreement? Did they convince you to change your opinion, and to agree with them? Do you have a plan of action how you will approach the issues in the future so you can you win their support?

Congratulations if you participated. You took part now. To keep the process going, write letters to say thank you or encouraging support if that is necessary. But keep the connection active.

At A.B.A.T.E. University you will get another opportunity to communicate with legislators. We have invited all of our US Congressmen and Congresswomen to stop in and say hello. If they are unavailable, they may send a representative in their place. But I expect to see many of the districts present. This may be the first time some of you will meet and talk with the people that run our country. Talk with them. Get to know them. Let them get to know you. Share your concerns and encourage them to support your position.

Pay a great deal of attention to all the communication you have with legislators' state or federal. We do not always agree with our legislators but if we disagree more often the we agree perhaps that should be a message.

Elections are coming this year. Be sure you are communicating with and learning about those that will ask for your support. And be sure you support those that will keep your interests in mind.

Thank you for all you do for the freedom of motorcyclists.

MEMBER OF THE MONTH

Deb Kviz

Sand Dunes Chapter

It's literally a no-brainer to recommend Deb Kviz for A.B.A.T.E member of the month. Yes, she plays an important part in the publication of the Road Noise. Yet, it doesn't mean she shouldn't be honored. In fact, it is for that reason and several others which makes her an excellent candidate for Member of the Month. Deb was a member of A.B.A.T.E Minnesota from 2002 to 2006. Disappeared to Wisconsin in 2007 where she became a lifetime member and then returned to Minnesota becoming a member from 2017 to present. Since that time, she has been significantly involved in all things A.B.A.T.E. Her list of activities includes Road Noise Organizer, State Rally Vendor Chair, State Rally Royalty Chair, and sponsorship organizer for the Sand Dunes Rodeo & Bike Show. Not to mention that Sand Dunes is fortunate to be one of three chapters that Deb holds a membership including Lake and East Central Chapter's. Finally, Deb was recently elected as the new Treasurer of Sand Dunes. Yes, this is a no-brainer. Well deserved Deb!

BIKE OF THE MONTH

She's a 2016 Indian Chieftain owned by Kelly Pierson

Kelly Pierson is the Secretary of the East Central chapter. She was a two wheeler until 2022 when, with the help of the Trike Shop in White Bear Lake, she was turned into a sweet trike. "I'll ride her into my old age days," said Kelly. "I still miss two wheels, but there's a spare bike in the garage... but I love my trike."

I'd like to take this time to say THANKS to anyone who threw a vote my way. Since I'm also State Office and Membership & Retention, I see a lot of things that go on behind the scenes. I noticed a lot of chapters are having a hard time filling out the ballot with officers, but there are so many wanting to be a Sargeant at Arms. Why is that? Are you looking for the least amount of duty to do, just wanting a name badge? You'd be surprised how many things I've tried to do because others have seen something in me that I never saw. So next year if someone nominates you for an officer job, don't say no right away. Just think about it for a month you can always decline in February!

We held a District meeting before the Rolling Prairie Chili feed. At this time, I cannot tell you what we discussed. One thing we are talking about is the SWD is hosting the October B.O.D., so we need to have the buttoned down before the July B.O.D. Another is to try to get a list of events from each chapter so we can help each other out.

Until next time

A.B.A.T.E. U is April 19th-21st. New officers are expected to go to their prospective officer meetings. There are also other classes throughout the day on Saturday. Come join our Chapter...a great time with friends and like-minded motorcyclists.

Congratulations to all elected Way West officers. We don't have our election meeting until later this month, so I will post those in the May Road Noise.

NortheastDir@abatemn.org

As I write this elections are in full swing and Bikerday is just days away. By the time you read this many more of us will have our bikes out and looking towards A.B.A.T.E. University. This event is open to all members of A.B.A.T.E. of Minnesota. The breakout classes are all free to attend. If you really want to get a feel for how it all comes together come listen to the Board of Directors Meeting Saturday morning. I did accept a nomination for a second year as your Northeast District Director at our January B.O.D. It is very humbling to know that so many members have put trust in me to do well for them. I believe I bring my skills and talents to the role that benefit all members. I also feel there are skills that I lack but that many within our district Excell at. Our best tool is our ability to work together. The more we exercise this strength, the stronger it gets. Like last year my focus will stay the same. To encourage teamwork, recruitment, and participation in Bikerday of 2025. As always, if you have an issue, question, or are just unsure, feel free to reach out to me for help. I will either get you the answer, point you toward the answer, or work with you to find the answer. Thank you everyone for everything you do.

Until next time, ride safe,

Greetings! What a strange and wonderful winter. I've rode over 600 miles on my bike since the first of the year. The weather will certainly make for a longer riding season. That's assuming we don't get an early winter next fall.

A.B.A.T.E. U is just around the corner and I'm really looking forward to it. Last year was my first time attending the event and I thoroughly enjoyed it. If you have not been there check it out. Especially if you're a new, incoming officer. It was great to meet other chapter presidents and state officers that you don't often have the opportunity to see.

Chapter elections are over and I'm very excited for

the new year! Elected as president for a 2nd year is yours truly, Michael Olkives. Our newly elected Vice President is Doug Hall. Returning as Secretary is Tammie Black. We have a new Treasurer Deb Kviz, and returning as our Chapter Representative is Angie Webb-Darwin. Our Sergeant at Arms are Steve Bechtold, Jeremy Black, Tammie Black, Tammie Webb, Buzz Plante, and Laura Houge.

Finally, plans are coming together for our Spring Ride and our Annual Bike Show & Rodeo. Both events are taking Place at Bailey Ray's in Santiago. Our Spring Ride will take place on May 18th with registration starting at 9:00am and Kick Stands up at 10:00am. Breakfast sandwiches and beverages will be available to fuel you up for the ride. Our Bike Show and Rodeo will be June 8th from 11:00 am to 5:00pm. We have some awesome events planned for the Rodeo portion of our event!

That's all for now. Get out and ride, the weather's great! Take care and be safe. Peace out!

On March 9th, a group of Ten East Central members took a road trip up to Tower, Minnesota to deliver

40 Buddy Bears to be distributed between six emergency medical, police and fire departments, who otherwise would not have access to the Buddy Bear program. We were warmly received by everyone including the local newspaper. After much visiting and just telling them about the hows and whys of the program we presented them with the bears and then went outside for pictures. They've asked us to return in warmer days with more bears and we said we would be seeing them soon. By now Bikerday has come and gone, and I hope everyone got to speak to their representatives. East Central distributed May is Biker Awareness buttons for A.B.A.T.E. members to give to their reps. We hope you got your button, too - wear it proudly!

Looking forward to seeing everyone at A.B.A.T.E. U! Keep your head on a swivel, ride safe

Hello all,

Not much to report this month, by the time you read this our annual fundraiser, The Bunwarmer, will have taken place and I'm sure it will have been a great success. Riding season is creeping up on us already so time to start thinking about bringing your bikes out of storage and doing all of the pre-season checks that ensure your safety. There's plenty of time between now and then so no reason to be in a hurry at the last minute and forget to check your tire pressure and fluid levels Looking forward to A.B.A.T.E. U this year, it's always a good time and we'll be there.

That's about it, there will be more to write about as riding season starts soon.

As I write this month's Grapevine article, I don't know who will win some of the positions but I do know that whoever is elected will do the job that is necessary to make the Metro Chapter continue to move in the right direction. Our Vice President and our Chapter Rep will be new people. It is encouraging to see that some of your newest members figured out on their own, the importance of taking a leadership role and working for the good of the order. Congratulations to all of our newly elected chapter officers for 2024-2025.

We are pleased to announce that the 2024 State Rally Calendar sales have reached the point where the chapter has recouped the cost of producing the calendars and further sales of the remaining calendars will be donated in full to Motorcycle Dial-A-Ride as originally promised. We will have calendars available at A.B.A.T.E. U in April. Let's make it a priority to sell out this year's inventory.

On the weekend of March 23rd-24th, Metro Chapter hosted the A.B.A.T.E. membership booth at the Donnie Smith Bike Show at the St. Paul River Centre. I hope many of you stopped by to say "HELLO" as well as to renew your memberships no matter which chapter of A.B.A.T.E. you belong to.

Also in March, the Metro Chapter held our first-ever Pre-St. Patrick's Day event at Route 47 Pub and Grub

in Fridley. The committee has gone above and beyond in planning this new fundraising event. I am blown away by the creativity and resourcefulness of the committee members. I look forward to bragging about how AWESOME an event it was in the next issue of Road Noise.

And let's not forget to mention Bikerday at the Capitol which was also after the Grapevine deadline. I hope to have pictures of Metro Chapter members out in full force lobbying our Representatives and Senators in next month's article as well.

The 4th Annual MetroMorial Day celebration will be held on Sunday, May 26th at Route 47 Pub and Grub in Fridley. It will be your first chance to enjoy Loaded Baked Potatoes and Roasted Sweet Corn. Stay tuned for more details.

Next Meeting(s):

April 12th, Buck Mill Brewery on Washington Ave, Detroit Lakes 7:00 pm.

I want to thank all of my Chapter members for the time and efforts put into our March Pool and Dart Tournament, couldn't do it without you. They kicked arse and SOLD OUT our cash raffle!!!! Not to mention awesome ticket sales for Quilt Raffle (gorgeous quilt made by one of our members), with only 70 of 200 tickets unsold! With all of the fantastic items donated and LeAnn's superb organizational skills and take the bull by the horns 'tude, our silent auction was also an enormous success. Thank you to all that took the time to come out to, and or jumped in on those raffles to support us, we appreciate you.

My mind has been filled with thoughts of our loss of memberships and I did a little googling, reading, researching to see how many motorcyclists and motorcyclists organizations with like mindedness there actually are tooling around here in our great state, this is what I came up with. According to 2014 (just a quick search a bit outdated but served my purpose) according to the Minnesota Safety Task Force there were 236,000 registered motorcycles followed up by 414,000 licensed motorcyclists, I wonder why our numbers are as small as they are, and WOW there are a whole mess of motorcycling organizations. Most of which I had no clue even existed, The Iron Butt Association, Combat Veterans Motorcycle Association, Women's International Motorcycle association, Street Legal Motorcycles, Golden Eagles, the Dry Riders, oh and Bunk A Biker (which I have used several times in my jaunts). If you all are not familiar with Bunk A Biker, check them out, it's a cool gig where you go onto their website to find people all over that have joined them to offer places to stay free of charge (I always leave a generous thank you). Wouldn't that be fantastic if we could get some of our trifolds incorporated/left at the individuals places? I digress, back to all of the organizations. The list goes on and on. I wonder how many of the members of these associations were like myself (until I did a search) don't even know we exist? My next thought was, have we as an organization ever sent our information/flyers/web pages and what not directly to these organizations. If not, is there some unknown to me rule why we can't? If no, why not at least

give it a shot.

Have you contacted your local and surrounding mayors to adapt the May is Motorcycle awareness proclamation?

God's smile on you all,

– Jess

Greetings All!

This weather is just so unbelievable. I know we need the moisture, so a couple of good rainstorms would help go a long way towards greening up the outdoors. Really looking forward to some bonfires this year!

Congratulations to all of the officers that have accepted the nominations and have been voted in. A.B.A.T.E University is coming very fast, do you have your reservations made yet? Lots of interesting classes, good fun and entertainment. Stephanie and her committee work very hard to make sure that everyone has a good time and we all learn something new. Thanks for all the hard work!

I also want to thank everyone in the Southeast District for your patience with me this past year. I tried to make as many of your meetings as I could. Unfortunately, my eyes aren't good for driving after dark any more and I was really sick after the January B.O.D. and down for most of February. I hate being sick. On the road to recovery now.

Congratulations to Mike Burgess, your new Southeast District Director - he will do a great job! Thanks to everyone in the state, it was great to be involved again.

FLATLANDERS

Hello from the Flatlanders!!

Bikerday at the Capitol is in the books and we hope that all of you had an opportunity to attend. With the uncertainty in this state and our country, sitting back and letting others make the decisions is not what's best for you or the rest of the motorcycling community. Ok, enough said. We will talk more about the turnout at the April B.O.D.

Next on my agenda...A.B.A.T.E. University. If you have never been, there it is a great educational opportunity and a great social atmosphere. There are classes, games, auctions, and other activities that are very beneficial to you as a member. Hope to see you all there!!

Alright, it's mid-March and moving into April and we are riding motorcycle's and have been since

the end of January. Did the world fall off it's axis? Who knows, but mother nature has been very good to us. However, with this nice weather comes the potential for crashes because the cages do not expect us on the roads yet. Please be careful, drive defensively, look both ways (multiple times) and enjoy the ride. Also, if you're interested, there are all levels of motorcycle training classes that will be starting soon...Just Saying!!!

One more item before I sign off...SUPPORT the other chapter fundraisers when possible. Talk to those people you see out on the roads riding about A.B.A.T.E. and sign up new members. It is the only way we continue to move forward!!

Peace and Love Always

Hugs

Greetings from Southeast LC:

Things are starting to gear up for our chapter as we start the planning for the summer party and B.O.D. meeting. We already have many things ironed out and nailed down. We made it through the winter party, this time without having to postpone it. We had a fair turnout, and everything went well. We made a little money and that's always good.

The new location for the monthly meetings is working out quite well and we are happy to not have to compete with the bar crowd and sports fans. This may be a future site for upcoming events such as the Winter Party.

Straight River Officers elected in February.

Straight River Chili Feed.

We sent a donation to the POW/MIA Riders to help cover the cost of bringing home the remains of a Sergeant shot down in Vietnam in 1972. After much searching and red tape, this soldier's remains were found and identified and will be coming back home. The Soldier is from St. Charles, so will be brought him back to Minnesota to his family. What an awesome achievement and we are very proud to donate towards this cause.

We welcome all new members and can't wait to see you at our monthly meetings. Dates, times, and locations are listed above. As usual, we thank all those that have renewed their memberships and we look forward to seeing you at the monthly meetings. We welcome your input and ideas at the monthly meetings. Remember, this is your chapter. The officers just keep the meetings running smoothly.

So, until next time, stay safe if you are out on two wheels, like many of us down here are. Watch for sand and gravel as well as other riders and vehicles. Be Vigilant.

See you all at A.B.A.T.E. University in April.

– Terry

Hello all and welcome to April!!!!

It looks like, due to some early nice weather, there have been a few of you who've already had a head start in getting out your bikes! Hopefully we can look forward to what may be a good start to a great riding season!

Wow, what a nice turnout for our 1st RIVER VALLEY GET TOGETHER we had in February! So many we had not seen in months; it was "a happy" reconnecting! A few of us got together to put together a social gathering to not only reconnect, during the off riding season, but to get to know each other better outside of our meetings and events. We welcomed past, present and future members!! Stay tuned for the next one...they will be random.

Thank you and congratulations to all of the new Officers for stepping up! Also, a huge thanks to the past Officers for all of your hard work throughout the year!

Don't forget about A.B.A.T.E. University this month! We encourage you to attend... especially our new officers. There is a lot of information available to learn, or a refresher course, as to what your position requires of you. There are other wonderful classes as well; along with games, auctions and of course great times to be had! You can make your reservations at the Holiday Inn, located in Alexandria (320)763-6577.

Our Annual May Motorcycle Awareness Parade is scheduled for Saturday, May 4th with a Fun Run to follow. Please join us in getting the message out to the motoring public that motorcycles are back on the roadways! We hope to see good numbers of participants again this year.

Our Spring ditch pickup and luncheon will be Saturday, May 9th. We will meet at 10:00 am in the CHS parking lot in LeHillier. All are encouraged to come and help. The more hands available, the faster it goes.

We are finalizing the planning for our Mike Berg Memorial Ride, "If we can save just one life...", which will be scheduled on a Saturday in the middle of June. Stay tuned for details on our River Valley Chapter Facebook page.

We also are in the planning stages for the 6th Annual River Valley Gives Back to be in August. Yay! Please do check out our River Valley Facebook page for details on things to come.

A big welcome to our new members and thank you to those who renewed their memberships. We are looking forward to seeing you at our monthly meetings and chapters events!

And as always; keep an eye out and plan to attend the other chapters events and fundraisers!
